The Woman's Medicine. Good for All Ages. Mrs. Harold Smith's Experience.

Clarksburg, W. Va .- "I am writing to tell you the good your medicine has always done me and I hope my letter may be the means

of helping some other suffering woman. When I was 16 years old I caught cold and had suppression for two months. I got so weak I could scarcely drag myself up the stairs. I went

to two doctors, then my mother got a bottle of Lydia E. Pinkham's Vegetable Compound and I took it. I never had any more trouble and got strong fast. Then I took it again before my little girl was born and it helped me a good for it. Then this spring I felt very badly again, but I took the Compound and have been well all summer.
